

# LIONEL COLLECTORS CLUB of AMERICA

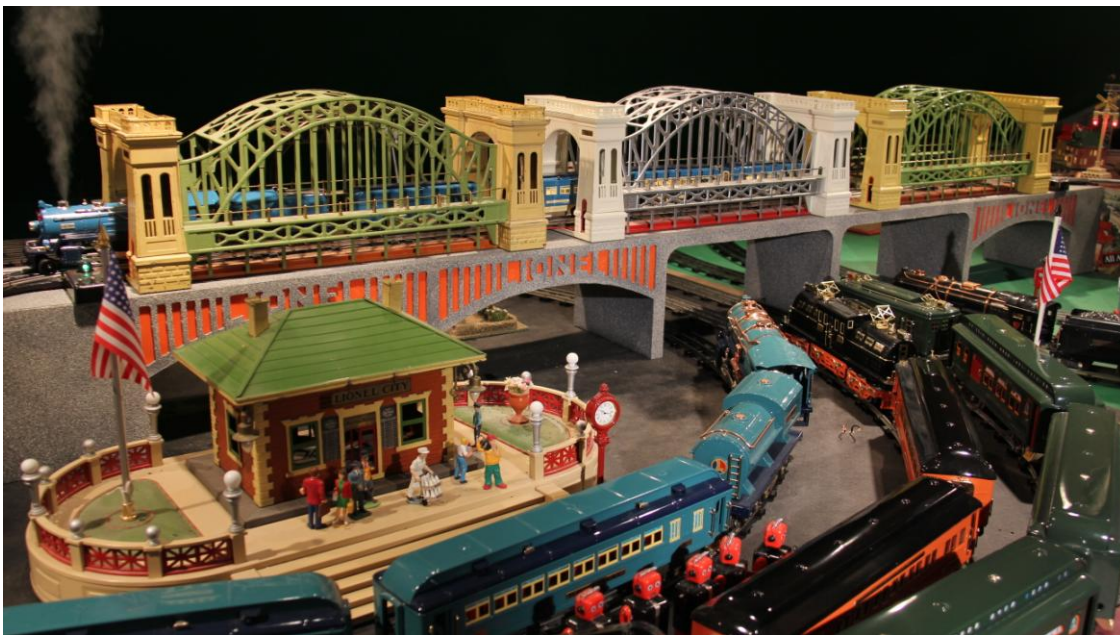

EST 1970

## **A Special Event for LCCA Members on Saturday, June 9** **Visit a Toy Train Video Production Studio, See 7 Layouts, and Ride a Narrow Gauge Shay**

### **Lights, Camera, Action – and Trains!**

LCCA members will enjoy a family-friendly Special Event appropriate for ages, including club members that remain young at heart! The TM Books & Video® facility, located on the outskirts of Michigan City, IN, will be the site of this memorable LCCA special event. You'll get an exclusive inside peek at TM's video production studios, see the TM Studio Collection, and enjoy seven operating layouts. Plus, go on a train ride at nearby Hesston Steam Museum where they operate live steam trains on three different gauges, including a narrow gauge Shay.

If you've seen the *I LOVE TOY TRAINS*, *LIONEL NATION*, *LIONEL CHRISTMAS* or other TM shows, you know this creative company is one of the best! TM owners (and LCCA members) Tom and Charyl McComas will be your hosts.
