HE'S BACK! Mickey once again teams up with Lionel to bring you some of the most fun and exciting O-Gauge train products you can imagine.

Ever since 1934, when Mickey and Minnie first graced a Lionel handcar, Disney and Lionel have had a special bond. It only made sense for us to get back together again to celebrate 100 years of Disney magic!

While the world of Disney has expanded since our first encounter together, Mickey remains the star attraction. As you browse through this collection, you'll see Mickey with his favorite gal Minnie, as well as a host of his long-time friends. You'll also find some of his new friends like Ariel, the Little Mermaid, and Buzz and Woody from Toy Story. No matter who's your favorite, there's something for everyone!
