

An LCCA Exclusive To Float Your Boat

Based on the 1956 Lionel #6414 Auto-Loader car, this unique Boat-Loader version from Lionel will be available only to LCCA members on a very limited basis.

The car is done up in yellow and red Union Pacific livery and will look great running with other LCCA and Lionel UP consists.

The two-level car holds four boats and features silver sprung trucks, working couplers, it is 10 1/2 inches long and can handle a minimum O-27 curve. A boatload of four boats is included. Sales are limited to one per member at \$95 plus \$16 for shipping and handling. Cars are expected to be delivered in the fall of 2024 and can be ordered now on the LCCA website or by calling the business office at the phone number below.
